

Car on holiday. How to rent a car cheap?

Flight for your dreamt holidays, stay at the hotel and sightseeing. How to organize your holidays not to waste time and money, and at the same have the freedom to move in the neighbourhood easily? We advise you to [rent a car](#)! Despite appearances car rental does not have to be expensive. It's enough to do it wisely.

Ways to rent a car for cheap

[Car rental](#) doesn't have to be expensive. You can rent a car at a good price if you use few tricks and plan your trip in advance.

Take a child seat with you

A stroller and a child seat can usually be taken on-board at no extra charge. After arrival, the seat can be used in the car. Why not to use this opportunity to save on renting a child seat?

Rent cheaper – without extra equipment

Another way of [renting a car cheaper](#) is to resign from additional equipment, for example, GPS navigation system, which can be additionally paid. We recommend this offer mainly to those travelling in the European Union, especially that roaming fees have been cancelled and using your phone abroad (especially as a navigating advice) will not make you pay additional fees. Simply, before renting a car, think if you really need additional equipment and choose the version best for you.

Free cancellation

What if we change our mind and our holiday plans? Rebook the tickets, opt for sunbathing on the hotel beach or just decide that the car will no longer be needed? If you book a car on cars.esky.com, you'll get a free cancellation up to 48 hours before the pick-up. It means that no money will be blocked on your card.

Pick-up at the arrival airport, drop at the departure airport

Major [car rental companies](#) enable you to drop off the car at a different location than a pick-up place. It's very good news especially for bargain hunters, who often find very attractive [deals](#) with different airports of arrival and departure. In this situation, the car is not only a way to travel easily during holidays, but also a means of transport for a way back. Car rental price is then compensated by the low price of flight tickets.
